DayOne

Jesus in Jerusalem

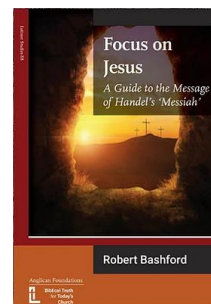

This book examines the record, in all four Gospels, of the first part of Jesus’ final week of ministry.

Highlights include the Triumphal Entry; Jesus’ cleansing of the temple; his debates with his critics; his denunciation of the religious leaders of his day; his overview of world history until his Second Coming; his call to believers to be ready for his return; and his moving final appeal to all to come to him as Saviour. An appendix sets out the Bible texts in four parallel columns, to facilitate comparison.

‘It is a pleasure to commend this well-researched study of a neglected part of the last week of Jesus’ ministry . . . It will not only inform you, but move you to worship him anew.’ Wallace Benn, former Bishop of Lewes

Focus on Jesus: A Guide to the Message of Handel's *Messiah*

This book provides a commentary on the message of “Messiah.” Handel’s great oratorio gives a marvellous portrayal of the Person and Work of Jesus Christ: the anticipation of his coming, his birth, his ministry, his sufferings and death, his resurrection and his ascension – plus also the proclamation of the Gospel to the world, and Christian assurance of resurrection life beyond death.

The main focus of this study is the selection of Bible verses that make up the work. At the same time there is also a certain amount of comment on the music.

The aim of the book is that readers may deepen their understanding of the Bible passages included in the work and enjoy Handel’s “Messiah” all the more – and as a result know Christ better.
