St Botolph's Church House

All over the world millions of people find hope and help in knowing Jesus Christ. Hope Explored is a three-session series about the life, death and resurrection of Jesus that examines his extraordinary claims. The structure of each session is simple: a short Bible study, a talk and a chance for discussion and to ask questions...

Hope Explored shows how Jesus offers us a hope worth having, a hope that won't disappoint us.

You may have questions, and we don't assume any previous knowledge.

**We would love you to join us..**

decisions taken  
by the  
General Synod

Many will be aware of the current turmoil in the C of E in respect of matters of human sexuality in the light of decisions taken by the General Synod at their meetings in 2023. The current position is extremely serious for bible believing churches such as St. Botolph's who steadfastly adhere to biblical truth and Christian Doctrine which has existed for many centuries. You are warmly welcome to attend a meeting at 7.30pm on Monday 22nd January in church to learn the concerns of our leadership and PCC over this matter. We hope also to welcome Lee Gatiss, Director of the Church Society, our Patron, to contribute to the discussion.
