## Church Sound System

We are very excited that the sound system in church has now been upgraded. The old system served us well for over 25 years, but has been showing its age recently with deteriorating sound quality. We have now installed the new sound system with new amplification and speakers. The result should be immediately noticeable not least because the large, white, unsightly speakers have been removed.

**Join us on Saturday 27th August @ 4.30pm via Zoom for our Prayer time**

## Thank-You but please join us again
