

Caffeination

Now that we are free (!) we would like to introduce social mixing after the morning service at St Botolph's. The traditional way, of course, to encourage this is to serve coffee, that greatest social lubricant of our time. Of course, we need to be careful to be safe, so we will take the following precautions:

No one should be made to feel bad if they choose not to join a coffee making team if invited to. We must respect one another in this.

1. Entrance and egress to and from Church House garden should be by the gate and not through church house.
2. Coffee will be served from tables outside on the patio.
3. No biscuits will be served. Please bring your own if you wish, but do not share them.
4. Coffee, sugar, milk etc. will be put into cups as required only by the coffee team.
5. The coffee team will wash their hands regularly with soap and hot water.
6. All crockery and cutlery, however small amount, will be washed in the dishwasher, not the sink. This is far more hygienic and a basic rule for health and hygiene in the kitchen.
7. As far as possible people should use Church House Garden for social mixing and not the fellowship room or anywhere inside the house.
8. Face coverings should be worn inside Church House.
9. If the weather is inclement we will not offer coffee.

Refreshments after our Sunday 10.00am Service

Do you enjoy having a chat over coffee after our 10.00am Sunday Services. If so we need your help if we are to continue to do so. Volunteers are needed to join the Coffee Rota to help occasionally with serving refreshments (coffee, tea and squash) after our 10.00am Sunday Services in Church House.

If you can help please let Heather in Church House Office know.
