## St Botolph's Church Family News Seventh Sunday of Easter 16th May 2021

### Collect - Seventh Sunday of Easter

O God the King of glory, you have exalted your only Son Jesus Christ with great triumph to your kingdom in heaven: we beseech you, leave us not comfortless, but send your Holy Spirit to strengthen us and exalt us to the place where our Saviour Christ is gone before, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

### Message from Mark

If things continue to go according to plan, we're told we should be free of CoV restrictions by June 21<sup>st</sup>. This is great news, but, alongside the hopefulness, the restrictions leave a wake of sadness, depression and anxiety. Some have experienced loss, many are very anxious about returning to 'normal'. I've heard it said that it's likely that face masks will become a 'must have' fashion accessory well into the future! I know many are anxious about returning to a church building. With all this in mind we are planning our return very carefully. In many areas of life things will never be as they were, and that is true for us too. The staff team have already spent time together reading and considering responses to our CoV survey. We are considering, as a result, what services to offer and at what times. Be assured that any big changes made will initially be for an experimental period, we are keen to be the best we can for the kingdom of God. May God bless you as you emerge.

**We welcome Heather Knighton as she commences her role on Monday 17th May as Benefice Administrator for St Botolph's Church, Barton Seagrave and St Edmund's Church, Warton. Heather takes over from**

## Message from Helen - Families Worker

### What Does it Mean to Have Faith?

Over recent weeks I've been thinking a lot about what it means to have faith in God. Perhaps you have been a Christian for many years or maybe you are still unsure about what it means to live as a Christian day by day; maybe you find following Jesus is relatively easy at the moment or, as is perhaps more likely, you struggle with a daily routine which includes regular prayer and Bible reading? Restrictions due to the pandemic may have prompted you to stray from your relationship with God or (hopefully) they have led you to rely more on him for your daily needs.

In our Promise Land sessions for the children and at our Refresh group for mums and babies, we've been considering the lives of Abraham, Moses and others and what made them paragons of faith.

**Hebrews 11:1-2** says

*'Now faith is being sure of what we hope for and certain of what we do not see. This is what the ancients were commended for.'*

Do you believe what you read in the Bible? Do you think back over your own life and see God's hand at work?

God made promises to Abraham concerning his future and the blessings that would be his. The blessings that God promised seemed impossible in human terms, but 'Abraham believed the LORD, and he credited it to him as righteousness.' Genesis 15:9

God fulfilled his ultimate promise to his people in the person of Jesus. Do you believe that Jesus died for you? Do you believe he is alive in heaven today, praying for you? Do you believe that he loves you? I pray that you do. That is faith!
